[Intro Am - Em - D]

Am Em
On a two-lane highway, going home

G
To the land of the Midnight Sun,

Am Em
I'm headed north in the dead of night,

C
But I see light.

Am Em
I'm going by a map in my heart.

G
It's the only one I've got.

Am Em
When I see your eyes in the Midnight Sun

D F#m6 Em D Am C
I'll know. I'll know. Oh, I'll find that I know.

[Instrumental break]

D F#m6 Em D Am C
I'll know. I'll know. Oh, I'll find what I know.

Am Em
So I left behind everything I found

G
That would not let me be.

Am Em
Now I'm coming back to the northern skies

C
In the dead of night.

Am Em
I want to find my life in the summer's light,

G
Before the winter's dark finds me.

Am Em
When I watch you rise with the Midnight Sun

D ^{F#m6} Em D Am C
I'll know. I'll know. Oh, I'll find what I know

G
When I'm home.
